Dear Mr. Salam,

Based on the results of the evaluation on 09/02/2007, we are pleased to advise that the following facility has been approved to manufacture for Gap Inc. and its divisions and affiliates ("Gap"):

**NEW STAR FACTORY FOR GARMENTS**  
**Port Said Public Free Zone - Egypt**

As an approved Gap vendor, your facility's operation will be reviewed periodically as part of Gap's ongoing monitoring program. Please notify us in writing if there will be any changes to your facility's name, address, ownership, contact information or production capabilities.

Please ensure that the enclosed Code of Vendor Conduct poster is posted immediately at the approved facility. Should you need posters in additional languages please contact me.

Thank you for your cooperation. We look forward to working with you.

Sincerely,

Hale Ozyaka
